

ST. GEORGE

JANUARY 2021

Villager

It is intentional that we make our newsletters “retrospective” so that we can show you events that happened in the previous month, along with current information. In this issue you will see a lot of the festive fun we had in December. We hope you had a healthy, happy holiday season and we wish you more of the same in 2021!

Grand Lighting Becomes Annual Tradition

The Grand Lighting of St. George Village is an event that generates joy and excitement right after Thanksgiving. This time, with social distancing measures in place, residents and staff gathered outdoors and on balconies to enjoy a glass of eggnog and participate in the countdown to turning the lights

on for the first time. It was a fun way to gather safely and kick off the holiday season.

Traditions like the Grand Lighting are just one of the many ways that we celebrate throughout the year at St. George Village.

Showing Appreciation for Our Front-Line Workers

So many employees work diligently to provide exceptional quality services at St. George Village, including those who do their jobs behind the scenes. Our residents recognize that and show their appreciation through their generous contributions to the annual Care Partner Appreciation Fund that was founded in 2005 by our first Resident Association President, Tom McWhirter.

On December 15, the distribution ceremony was live streamed on our closed circuit TV channel so that everyone could safely “attend.” Executive Director Mark Lowell, Resident Services Manager Jean Pastore, Human Resources Manager Suzanne Brown and SGV Transportation Member Dana Samples, accompanied by Resident Association President Marie Crean and Treasurer Cliff McCune, made their way to each department throughout the community to deliver checks to the managers, who later personally presented them to care partners on behalf of the resident association and members. Care Partners were given an opportunity to introduce themselves and express their gratitude. Many shared meaningful comments relative to their work and their passion for serving the members of St. George Village. Each department concluded their ceremonial session with a unique version of “We Wish You a Merry Christmas.”

We can never express enough thanks to our Care Partners for all that they do throughout the year to make St. George Village such a special warm and caring community.

Holiday Wishes from Residents and Staff

Our community participated in a holiday “photo shoot” to share their messages of good cheer. The video is available for viewing on our YouTube channel. Key in the URL, <http://bit.ly/39cjY4a>, or open YouTube and search for St George Village Roswell Ga.

Made With Love

The Knit Wits, our resident knitting group who meet every Saturday year-round, have been busy! Members are crafting warm and cozy lap robes, shawls and scarves for their friends in our Treasures of Lakeview skilled care neighborhood. This photo shows the third batch of beautiful items they have completed. Thank you, Knit Wits, for actively demonstrating the phrase “made with love.”

We're on social media!
